The First Saturday in June
National Trails Day

We Want Trail Riders to Participate

The Mammoth Cave Equine Trail Riders Association is a proud promoter of the National Trails Day in our National Parks held on the first Saturday in June. We are encouraging all YOUTH and all trail riders to come and ride the beautiful trails and enjoy Mammoth Cave National Park.

This is a benefit trail ride with the proceeds going to MCETRA which in turn will benefit the horse trails at Mammoth Cave National Park.

Watch the MCETRA Website for more Upcoming Details:
