

National Equine Adjusting, Inc.

Nicholasville, KY 40356

LICENSED INSURANCE ADJUSTER

We are an equine insurance adjusting firm looking to hire a licensed claims adjuster. Equine claims and/or large animal tech experience preferred. Initial position would be handling equine major medical and mortality claims, with potential future growth in handling equine liability and property claims.

You will be responsible for documenting and handling incoming claims, including the calculating and processing of reimbursement payments. Proficiency in Microsoft products and adaptability in the use of third party enterprise proprietary software preferred.

This is a full time position. Organizational and good customer service skills are a must. Benefits include: health, dental, and life insurance and 401K. Resumes can be sent to:
